25	Information systems, software	SW Certification	ČSN ISO/IEC/IEEE 15288 ISO/IEC/IEEE 12207 National standard of electronic document management systems (NSESSS)

Explanations:

¹⁾ Asterisk at the ordinal number identifies that within the scope of accreditation, the certification body is allowed to include new/updated/revised normative documents from time to time. Provided that the product group and certification scheme don't change. Updated list of activities provided within the scope of accreditation is available at the Certification Body from the Quality Manager.

IT Information Technologies

SW Software

NSESSS MoI CR Bulletin

Explanations to Certification Schemes:

EZÚ Certificate corresponds to the Certification System No. 1a of ISO/IEC 17067;

Software certification corresponds to the System No. 6 of ISO/IEC 17067.

Product Certification Body
Pod Lisem 129, 171 02 Praha 8 – Troja

**Verification of Environmental Product Declaration
Verification of Product Declaration creation process**

Ordinal number	Product name	Certification scheme	Specification of standards ¹⁾ (normative documents)
1	Chemistry and chemical products	Environmental labels and declarations - Type III environmental declarations - Principles and procedures The International EPD® System - General Programme Instructions (v3.0) ČSN EN 15804+ A1 Sustainability of construction works. Environmental product declarations. Core rules for the product category of construction products.	
2	Rubber and plastic products		
3	Other non-metallic mineral products		
4	Basic metals and metallurgical products		
5	Metallic products		
6	Office equipment and computers		
7	Electric equipment and apparatuses		
8	Radio, television and communication equipment		
9	Transport equipment		
10	Furniture		
11	Recycling		
12	Generation and distribution of electricity, gas and water		
13	Disposal of waste, sanitation		
14	Construction		

Explanations:

¹⁾ International EPD system - General programme instruction (Swedish system) – <http://www.environdec.com>
 Norwegian EPD Foundation - General programme instruction (Norwegian system) - <http://www.epd-norge.no>
 Institute Construction and Environment - General programme instruction (German system) - <http://bau-umwelt.de>
 INIES - General programme instruction (French system) - <http://www.inies.fr>

If no PCR are available for a specific product, the Certification Body proceeds in accordance with the General Programme Instructions (GPI, available at www.environdec.com) and Rules set in the National programme of environmental labelling.
